Terroir

A terroir full of history, located just a few kilometres outside Reims, sacred town of the Kings of France. Our vineyards are spread over four magnificent Crus on the Montagne de Reims: Sacy, Chamery, Ecueil and Villedommange, all classified under the prestigious, « Premier Cru ». We benefit from a terroir of clay-limestone soil, adding a great finesse to our wines. Our integrated approach to growing and production is both kind to the environment as well as suiting a wide organoleptic palette.

Vinification / aging

After a rigorous selection of our finest grapes, pressing is carried out with the greatest of care so as to preserve and extract the highest quality of juice. Our wines are then vinified and aged in thermo-regulated stainless-steel vats. The aging on the lees is carried out in our 17th Century vaulted cellars for about 3 years before disgorgement.

Tasting

On the nose: citrus fruit, brioche, toast and dried fruits. On the palate: openness and freshness prevail! The fruity aromas of Pinot Meunier, the body and delicate strength of Pinot Noir, and the finesse of Chardonnay, make this cuvée « Royale » an invitation to an initiatory journey through time. Served at 10°C, it blossoms in a tulip-shaped flute, allowing you to appreciate its very best qualities as an aperitif when the palate is still fresh.

History

This Cuvée « Royale » was first created to celebrate the 800th anniversary of Reims Cathedral, and is naturally close to our hearts. Our farm is located just a few kilometres south of Reims and we like to think that we benefit from the protective influence of the Cathedral overlooking our labours in Sacy. Reims, the city of coronations, has welcomed no less than 30 Kings of France who came here to be crowned. Indeed, during the feast that followed the coronation of King Louis XVI on June 11, 1775, many came to draw ferruginous water from the spring in our village of Sacy. It is this natural connection between our land and the history surrounding us, which first gave us the inspiration to create this noble wine.
